

Date: 03/07/2023

Guidelines for Newly Enrolled Students of April 2023

- Total six courses are offered in this semester:
 - PMRE 6001 Reservoir Engineering
 - PMRE 6003 Well Logging
 - PMRE 6004 Drilling Engineering
 - PMRE 6010 Reservoir Simulation
 - PMRE 6014 Petroleum Geology
- It is mandatory for all newly admitted students to enroll in PMRE 6014.
- Prior completion of PMRE 6001 is a prerequisite for PMRE 6010. New students are not allowed to register for PMRE 6010.
- Please note that PMRE 6001, PMRE 6003, and PMRE 6004 have a maximum capacity of 20 students each. Registration will be approved on a first-come, first-served basis.
- Important Dates:

Regular Registration: 3 July to 13 July, 2023

Late Registration: 14 July to 26 July, 2023
